

How often does a tick attaching to your dog prompt you to treat them? If this is the case **the damage could already be done...**

**Seresto is a new product available to you which kills and repels ticks, and kills fleas for up to 8 months**, so no more wondering when you last applied a spot on, risking the protection of your pet

Cost comparison of tick products for 8 months

	<b>Advantix</b>	<b>Seresto</b>
Dog <4kg	£51.58	£39.58
Dog 4kg-10kg	£54.86	£39.58 (£46.20 if >8kg)
Dog 10kg-25kg	£56.32	£46.20
Dog >25kg	£57.34	£46.20
